Hon. Sir:-

Was delighted to read your statement, that you were going to run for Congress on the Independent Ticket.

As it means everything for the Race, you are to be congratulated, and deserve the commendations of all thinking members of the Race. We would be highly gratified if we could do some speaking for you in your campaign for Congress.

Wishing you success in all

lines of endeavor, and also as  
we desire to hear from you,

I am yours for the political
